

TOOTHY MAZE

OH NO! THERE IS A TOOTH BUG HIDING IN THIS TOOTH!

HELP THESE YOUNG DENTISTS FIND THEIR WAY TO THE CENTER OF THE TOOTH TO BATTLE CAVITY CAUSING BACTERIA.

Toilet Paper Roll Bowling

1. Decorate an empty toilet paper roll-color with crayons or pens, or you can cut and glue decorative paper. Use your imagination.
2. Set the paper "bowling pins" in formation.
3. Any ball smaller than the paper rolls can be used to bowl (softer, spongy balls work best). If you do not have a ball, one can be created with crumpled up aluminum foil or paper.
