

If you Give a Moose a Muffin Math Activity

Read the book and share the activity below.

Materials:

- Book: If You Give a Moose a Muffin
- 1 muffin tin
- 1 muffin printable
- Pom poms
- Scissors
- Laminating sleeve (Optional, but makes muffin circles sturdier for repeated use).
- Tongs

Directions:

1. Print out muffin printable.
2. Use scissors to cut out muffin circles.
3. If you choose to, laminate the circles and cut them out.
4. Place one muffin circle in each well of a muffin tin.
5. Gather pom poms and tweezers.
6. If working on color skills, child should sort pom poms into the muffin tin according to the color shown on the circle.
7. If working on counting skills, child should sort pom poms into the muffin tin according to the number shown on the circle.
8. Tweezers can be used to transfer pom poms to the muffin tin, adding fine motor practice.
